1001 Nacht
A Walk in the Park
Allnight long
Angel
Born to be alive
Celebration
Crying at the discotheque
Cuba
Dancing on the ceiling
Do U think I´m sexy
Don´t stop the music
Don´t You
Fairytaile gone bad
Feel
Gimme some loving
Heat is on
Hip to be square
Hold the line
Hot Fudge
I go to extremes
I just died in your arms tonight
I was made for loving you
Invisible Touch
Kyrie
Ladies Night
Lady
Let me entertain you
Let´s groove
Lift me up
Listen to the music
Long train running
My angel is a centerfold
Pride – In the name of love
Que sera mi vida
Rebell yell
Reggae Night
Relight my fire
Rhythm of the night
Ride like the wind
Rock´n Roll all night
Rocking all over the world
